The Chicago Series

The best term to describe this series is simply: "Screaming Deco". These fixtures are all substantial with a great dark/light pewter contrast. All shades for this series are sold separately for better choice of ambiance.

amber 0319AMG shades. Could not resist showing the light, without the shades, since the metal frame itself is just so very nice indeed.

Meas Ht: a mere 8 1/4", W: 16 1/2" \$ 395.00

177-ZN-ES A single sconce with porcelain socket. Easily accepts a 100 watt bulb. Pictured with both a frosted 0319G shade and an amber 0319AMG shade. Meas Ht: 11" and a width of 5 3/8". Projects into the room only 5 3/8" with either of our 0319 shades. \$ 255.00
