

# Nouveau & Nautical Bridge Lamps

Two stylish energy saving, GREEN, Electronic CF bridge lamps and one elegant torchiere lamp. One bridge lamp comes in a lovely Art Nouveau motif and the other in a nautical ship's decor. Either can be supplied with the fine opalescent glass shade (The Katherine) or the leaded shade (0114G). The torchiere comes complete with shade.

Base Detail

Normally supplied with 26 watt ballasts and bulbs in a 4100 Kelvin hue. This gives a wonderful reading light and is far superior to a 150 watt incandescent bulb while remaining nearly 6 times more efficient. This combination is Energy Star 4 rated. Standard antique brass finish. *We also offer two of these lamps fitted for incandescent bulbs. See below.*

- 130-KBDG-CF With Katherine shade. \$395.00
- 130-LBDG-CF With leaded shade. \$395.00
- 132-KBDG-CF With Katherine shade. \$395.00
- 132-LBDG-CF With leaded shade. \$395.00
- 132-KBDG-2 Katherine, incandescent. \$332.80
- 132-LBDG-2 Leaded, incandescent. \$332.80
- 133-TOR-CF Torchiere CF with shade. \$495.00
- 133-TOR-PL Torchiere incandescent. \$474.50
