

Large Outdoor Sconces & Pendant

766-CBL-CF

767-DKPRC-CF

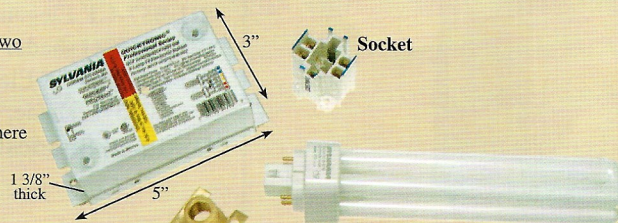

777-BES-CF

These large outdoor fixtures are capable of accommodating the 57 watt CF bulbs. This will give you the equivalent of a 300 watt incandescent bulb at 1/6 the energy consumption.

Perfect for commercial applications.

Ballast:

- One needed for every two lamps
- Ballast must be within 6 feet of socket & bulb
- Can be mounted anywhere
