757-TL-CF
Short Version

This fixture will accept either six 13 watt, 18 watt or 26 watt compact fluorescent bulbs. All are Energy Star 4 rated. The diameter is 35" and the minimum height is 24". The long version is supplied with a 44" overall length. We can adjust the height to most lengths desired, however, lengths over 44" require an extension kit at additional charge.

757-TL-CF The Townshend chandelier includes our 0155G shade but will accept any of our other 4" fitter shades. Please specify. Standard antique brass finish
\$1,250.00
