*Re-created Cornelius Grape & Leaf Gas Chandeliers & Sconce. Originals were 1840-50 when drooping chains were design elements of the time. Both chandeliers & sconce use 2 5/8" fitters for our hand-cut ball shades. Chandeliers are made 63" tall but easily shortened to as little as 30". Spread is 39". A 4 & a 6-arm chandelier are available.*

*Sconce Meas: Cluster grape & leaf backplate is 8 1/2" wide OA The internal solid disk of this canopy is 5" dia. Sconce OA Ht: 11". Projects into the room 13". Available in Pol Brass or Antique Finish.*
