L-60 A "one of a kind" on the market. For those doors that have modern hardware installed but want a nicer, more victorian look, we offer a lovely backplate to work with modern doorknobs with attached roses. Receiver hole will accept a modern knob, with attached a round rose, as it is 2 5/8" dia. The backplate meas: 15" t x 3 7/8" w. & to continue this outstanding look, add a doorbell made from the same backplate found on the doorbell page.
