Choose glass or metal shades and if you choose the metal shades...choose the color of art glass that you prefer. (colors available, are shown on the shade page) All close ceiling lights have the same measurements: Ht: 17"; Spread: 25". 588 & 589 have 2.25" fitters for glass shades. Suggested shades for 588 & 589: 093G, 065G, 080G, 083G

The lights pictured with brass shades come complete with those brass shades. We recommend 60-75 watt for art glass shades. Glass shades accepts 100 watt bulbs. These lights mount to the ceiling very easily. The center finial actually has an all-thread that runs the length of the lamp. Make your electrical connections and thread this all-thread into the crossbar---done. Very easy.

**104-DCX-PL** Double light. Brass chain shade motif, table lamp. Choose the glass color of your choice on the shade page. Has base switch and a polarized plug. 21 1/2" tall; Base is 6"sq; width from shade edge to shade edge is 18". Attractive.
